RE: CROMAR, Paul Kenneth
Case #: 201402860
Sentencing Date: August 19, 2022

Your Honor,

A referral has been received by Adult Probation and Parole ordering a Presentence Report in regard to the above case number.

On July 1, 2022, the defendant appeared before the Court and was instructed to report to Adult Probation and Parole offices by 4:00 pm on Tuesday 07/05 to complete the requirements for a pre-sentence investigation interview. The defendant contacted Provo AP&P on 07/05/2022 but stated he did not want to complete the PSI and would be filing an Appeal. He has failed to report/contact Adult Probation and Parole since that date. A check of vinelink.com indicates that the defendant is not in the custody of any jail in Utah.

Adult Probation and Parole respectfully recommends a warrant be issued for the defendant's arrest. Should the defendant become incarcerated or report to this office in a reasonable amount of time prior to the scheduled sentencing date; efforts will be made to recall the warrant and conduct the investigation provided this office is made aware of the incarceration.

The investigation and preparation of the PSI has been suspended due to the defendant's failure to report to this office. Pursuant to Utah Code Annotated 78B-5-705, I declare under criminal penalty of the State of Utah that the foregoing is true and correct to the best of my belief and knowledge.

Respectfully submitted,
/s/ Mark Colby 07/20/2022
